HOW TO USE OUR Gated Parking System

Exiting our Parking Lot - Paying at the Pay Station

1 To pay at a pay station, insert your ticket into the ticket slot located on the middle left on the pay station.

2 The display will show your parking duration along with how much you must pay for parking. You have the option to pay with coins and bills, credit card or a mobile device.

3a To pay with coins and bills insert the coins in the coin slot located at the top right corner or insert bills in the bill slot located on the middle right of the pay station.

3b To pay with credit card, you may either tap your credit card on the reader located at the top left corner and wait for all four lights to turn green. Alternatively, insert your credit card in the credit card slot located on the middle left of the pay station.

3c To pay with a mobile device, place your mobile device over the mobile reader located at the top left corner of the pay station and wait for all four lights to turn green.

4 Your parking ticket will print and be dispensed out of the middle left of the pay station. Take your receipt as you will need this to exit the parking facility. A receipt will print after the parking ticket as payment confirmation.

5 When you pull up to the exit column and barrier gate arm, insert your parking ticket you received from the pay station and insert it into the yellow ticket slot located on the middle left of the exit column.

6 The barrier gate arm will lift and you may leave the parking facility
